Dear parents of Religious Ed. students,

I would like to welcome your children to PREP at St. Benedict's Parish. As we get ready to start a new school year, teachers will continue to handle discipline within their classes using **The Smart Discipline Chart**. It will be a way for both parents and teachers to identify any and all behavior issues. On the first day of class, each child will receive a folder and will also be given a **Smart Discipline Chart (stapled to their folder)**. If there are any behavior issues during class, the child will be given a warning. Parents will need to check to see if your child has brought home a chart marked by his/her teacher. **Parents need to sign the chart on the back**, as well as having the child initial and date the chart. Should the chart come back not signed by a parent, than your child will be marked with another infraction. **The chart should remain in the folder throughout the school year**. Please remember, this is not about punishment, but more of a way to help both the students and the teacher (volunteers) accomplish all they can in an hour and 15 minutes.

In order to improve our program, the use of this system will lead students down a path where they end up choosing to stop from misbehaving. Our hope is that we will have all of our teachers, parents and students on the same page. Consistency with students is a basic tenet of success. What works best for teachers, administration, students and parents is a dependable approach.

By checking in your child's folder each week, you show your child that you are following their behavior and progress at Religious Education. Your child will know that there is no opportunity to ignore the rules. Remember, in order for this program to work, consistency is key. In order to maintain another successful year for PREP, we truly need your cooperation in this important matter. Please feel free to contact me at (610) 856-5146, if you have any questions regarding this letter. I'm looking forward to seeing you at our very **important parent's meeting on September 20, 2012 at 6:30 PM inside of the Church**.

We would like you to carefully read the Catechetical Program policies (mailed/given to you with the registration form) and together with your child, discuss its meaning. Your effort to reinforce expectations will assist us in providing the best learning environment for your child. **After reading and discussing with your child, please sign, date and return with this registration form.**

Sincerely in Christ service,

Our Catechetical Program Policy

Last name: _____
(please print)

We would like you to **carefully read the Catechetical Program policies** (mailed/given to you with the registration form) and together with your child, discuss its meaning. Your effort to reinforce expectations for appropriate student's attitude toward religious education will assist us in providing the best learning environment for your child.

Please note: we are implementing the Smart Discipline Chart in our Program. Our goal is to have the children in charge of their own behavior, knowing the rules and consequences of their choices, as well as keeping parents informed. This will allow our teachers (volunteers) to be able to focus on teaching and less on discipline.

I promise to look at my child's folder every week and I have read and agree to follow this policy.
